Lands including Old S. Nos 95, 96 & 97 were notified for acquisition for the improvement of the Cubbon Park. After the notfn, enquiries were made in this office letters dd. 7-3-11 and 14-7-11 whether these three Survey numbers belonged to Govt. to the Mr. or to private parties. The Pres.t now states that

Sir,

With reference to your letter G.316/G.M.205-09-30 dated 14-7-1911, calling for certain information regarding the acquisition of old Survey Nos.95,96 and 97 of the Sampegehalli village for the improvement of the Cubbon Park, I have the honor to report as follows.

1. Survey No.96 has been an unassessed waste since the original survey settlement. In the revision survey, it was removed from the village accounts. It is now a part of the Municipal land and therefore there is no necessity to acquire it.

2. Old Survey Nos.95 and 97 which stand in the names of Halagasetti bin Mariappa and Syba setti Linganna respectively are ascertained to have been Kharab numbers since the begining, No.95 being shown as a charitable flower garden and No.97 as charitable tope.

3. With reference to Survey No.97, Government have in their order No.806 (Camp Mysore) dated 18-10-1886 to the Deputy Commissioner Bangalore District, directed that the tope in question should not be turned into private property. A copy of the order is enclosed for ready reference.

4. As the tenancy of Survey No.95 is similar to that of Survey

(2)

Survey No.97, both of which are kharab, the same order may be made applicable to Survey No. 95 also. As both these numbers were for charitable purposes, as they are now wanted for the Extension of the Cubbon Park which is a public purpose and as the owners of both these numbers could exercise no right of private property in them, their formal acquisition seems unnecessary.

Sir,

With reference to your letter No.1353 of the 8th December 1913 and last reminder No.2394 of the 6th April 1915, requesting to be furnished with certain information, re - the acquisition of survey Nos.95,96 and 97 of Sampigehalli village in the Bangalore Taluk, I have the honor to state that the lands referred to are of original survey and their particulars as found in the original "Khetwar Patrika" are given below:-

95 kharab	2	7	Byrasetti Lingannana	Huvunatota

It is reported by the Amildar of the Bangalore Taluk, that on local enquiry it is learnt that the lands in question are in the possession of Sankarannah, Honnappa and others. It will thus be seen that the application of the provisions of the same Land Acquisition Regulation for their acquisition is necessary.
